\_\_\_\_\_ Please check if you do not have a substitute players name but would like to have a substitute player assigned to your team.

**There will be 2 separate divisions.**

The early division will have tee times that run from approximately 3:50 to 4:20.

The later division (“couples division”) will have tee times that run from approximately 5:00 to 5:42.

Your team tee times will vary during the season.

**Please indicate your teams**

**Earliest starting time:** \_\_\_\_\_

(Please do not “hedge” on this time – we need early teams if we want the league to work for everyone.

If tee times differ at particular times of the year, please make a note of the differences.

For example: teachers may not be able to have an early start time in May, June and September but could have early tee times in July and August.)

Please indicate any individual requirements that could help your team when the tee times are determined.

We will accommodate as many of these requirements as we can.

The more you tell us, the better we can help you.

If there are particular weeks that you KNOW you cannot play – let us know now – THANKS.
